## HYPER SQUARE

Powerful single-brush floor care machine with 20"/510mm swinging and rectangular plate, is perfect for working on any surface, both with and without water. Thanks to the complete range of tools, Hyper Square is a machine suitable for many applications: >>> It can be used to restore and thoroughly clean resin, PVC, linoleum and rubber floors, without the need to use chemicals, thus protecting the environment and the health of users. > Grinds and sands various surfaces such as wood, marble, concrete, reconstructed stone and stone. >>> Polishes like a traditional single-brush floor care machine but with the advantage of being able to reach into corners. >>> Thanks to the rectangular plate, it is ideal for working under radiators or to reach tight spaces. >>> Thanks to the very low level of noise, it is also recommended for sensitive environments such as hospitals, hotels, etc... >>> Ensures water-free and completely dust-free operation, thanks to the powerful dedicated extraction kit (optional).

TECHNICAL DATA						* The price does not include any accessories.

HYPER SQUARE TP VS	1900	110/220	50/60	2100-3000 osc/m	360mm x 510mm	20 lt	51x117x84	42	

## Powerful and Versatile Orbital single disc machine.

- > Ideal for accurate grinding and polishing, flush with the wall and in the corners.
- > Grinds, polishes, washes, restores and sands.
- > Environmentally friendly: reduces the consumption of water and chemicals.

Unlike the circular pad, the rectangular pad reaches corners easily and works evenly flush with the wall.
