## HG 17KR

HG 17KR is a strong and sturdy single disc machine designed for the most demanding professionals and for the hardest tasks. With the range of motors starting from 2.5 up to 4hp, the HG17 is the market's most powerful machine. Combined with a complete set of optional accessories, it suits every need in the most efficient and convenient way. HG17 is available also with variable speed.

✓ **Sturdy:** quality components to last.

✓ **Safety:** controls against accidental start and handle with hand protection.

✓ **Noiseless:** with 3-gear box.

✓ **Versatile:** the most complete range of accessories available on the market.
